NATIOANL NEWS

'RAMP' Scheme

- On 30 June 2022, Prime Minister Narendra Modi launched the Raising and Accelerating MSME Performance (RAMP) scheme with an outlay of around Rs 6,000 crore.
- The scheme aims to scale up implementation capacity and coverage of Micro, Small and Medium Enterprises (MSMEs) in the states, with impact enhancement of existing MSME schemes.
- PM Modi launched the scheme at the 'Udyami Bharat' programme at Vigyan Bhawan in New Delhi.
- MSME sector accounts for almost one third of India's economy. The role of MSME is very significant for India's exports to increase.

MHI Sign MoU with MSDE

- The Ministry of Heavy Industries (MHI) and the Ministry of Skill Development and Entrepreneurship (MSDE) signed a Memorandum of Understanding (MoU) to create a collaborative ecosystem for imparting skill development training in the capital goods sector.
- The partnership is aimed at facilitating training in several engineering trades through Qualification Packs (QPs) developed by MHI-related Sector Skill Councils under the Scheme for Enhancement of Competitiveness in the Capital Goods Sector Phase II.
- Under this initiative, MHI shall provide 100% funding support to MHI Sector Skill Councils.
- MHI shall provide linkage between Industry associations and SSCs for imparting skilling to more than 70,000 individuals over a period of three years.

World's Largest Innovation Centre

- The Chief Minister of Telangana K Chandrashekhara Rao inaugurated the Phase-2 of T-Hub (Technology Hub) in Hyderabad, Largest Innovation Centre.
- The facility will support over 2,000 startups under one roof making it the world's largest innovation campus.
- T-Hub will provide young Indians to launch their startups with a collaborative innovation ecosystem.

- The first T-Hub was launched in 2015 on the campus of IIT-Hyderabad, under the name of Catalyst.
- The startup ecosystem in Telangana was ranked among top 10 global ecosystems in affordable talent and among top 15 in Asia in terms of attracting funds.
