#### **India Has Prepared a Checklist of Its Entire Fauna**

According to the Union minister of Environment, Forest and Climate Change, Bhupender Yadav, India has become the first country in the world to prepare a checklist of its entire fauna population. -covering 104,561 species.

This makes India the global leader in biodiversity documentation and conservations.

The minister gave this information at a ceremony held in Kolkata to observe the 109th anniversary of the Zoological Survey of India in Kolkata, West Bengal on 30 June 2024.

He also formally launched the Fauna of India Checklist Portal maintained by the Zoological Survey of India which contains the check list of India's entire known -104,561 fauna species.

The minister also inaugurated the 2nd Animal Taxonomy Summit-2024 organised by Zoological Survey of India at Kolkata.

The launch of the Fauna of India Checklist Portal is seen as a significant step in the biodiversity documentation in India. It comprises 121 checklists of all known taxa covering 36 phyla.

The checklist includes all the endemic (found in a particular region), threatened, and scheduled species.

#### **Health Ministry Launches Dashboard to Aid Quick Monitoring of Public Health**

The Union Health Ministry launched a dashboard that will aid the national, state and district health facilities in quickly monitoring compliance concerning Indian Public Health Standards (IPHS) and taking action accordingly.

It also rolled out a virtual National Quality Assurance Standards (NQAS) assessment for Ayushman Arogya Mandirs (AAM) and a spot food licence and registration initiative for food vendors.

Union ministers of state for health and family welfare, Prataprao Ganpatrao Jadhav and Anupriya Singh Patel, unveiled these three initiatives which will play a major role in improving the quality of healthcare services and promoting the ease of doing business in India.

The launch of the spot food licence initiative is a ground-breaking new functionality for the instant issuance of licenses and registrations through the Food Safety and Compliance System (FoSCoS).

FoSCoS is a state-of-the-art, pan-India IT platform designed to address all food safety regulatory needs.

This innovative system simplifies the licensing and registration processes, offering an enhanced user experience.

Addressing the session, Jadhav stated the launch of these important initiatives is part of a continuation of the government's effort to provide 'Healthcare for All' and promote wellness.

## **Jharkhand Cabinet Approves Financial Aid Scheme for 4.5 Million Women**

The Jharkhand Cabinet approved the 'Mukhya Mantri Bahan Beti Maiqui Swabalamban Protsahan Yojana,' a financial assistance scheme for 45 lakh women in the state.

Under the scheme, each eligible woman will receive Rs 1,000 per month.

The state government will bear Rs 5,500 crore annually for this initiative.

The approval was granted during the Cabinet meeting chaired by Chief Minister Champai Soren.

Aim of the Scheme is to empower women, make them self-reliant, and ensure better education and health improvement.

The scheme is applicable to women aged 21 to 50 years.

Exclusions include income tax payees, government employees, Employees Provident Fund (EPF) holders, and a few other categories.

The department will soon launch a campaign to generate applications to maximise the number of beneficiaries.

### **RBI Increases Ways and Means Advances Limits for States/UTs by 28%**

The Reserve Bank of India (RBI) increased the Ways and Means Advances (WMAs) limits (or financial accommodation) of State governments and Union territories (UTs) by 28% to ₹60,118 crore from ₹47,010 crore (fixed in April 2022).

The revised WMA limit is effective from July 1, 2024.

The limits have been revised based on the recommendations made by the group constituted by the RBI, consisting of select state finance secretaries to take account of the expenditure data of states for recent years.

The last review of WMA, Special Drawing Facility (SDF), and Overdraft (OD) schemes for state

governments/UTs was announced on April 1, 2022.

SDF availed by state governments/UTs is linked to their investments in marketable securities issued by the government, including auction treasury bills (ATBs).

A State Government account can be in overdraft for a maximum of 14 consecutive working days with a limit of 36 days in a quarter.

Section 17(5) of the RBI Act allows the RBI to make WMA to both the Central and State Governments.

The objective is to bridge the interval between expenditure and receipts.

## **RBI Imposes ₹29.6 Lakh Fine on HSBC**

The Reserve Bank of India (RBI) imposed a monetary penalty of ₹29.60 lakh on The Hongkong and Shanghai Banking Corporation Limited (HSBC) for non-compliance with specific RBI directions.

HSBC failed to comply with RBI directions on 'Credit Card, Debit Card, and Rupee Denominated Co-branded Prepaid Card operations of Banks', reiterated in the 'Reserve Bank of India (Credit Card and Debit Card – Issuance and Conduct) Directions, 2022'.

Specifically, HSBC did not ensure proper calculation methods to prevent negative amortisation while computing the Minimum Payment Due in certain credit card accounts.

The penalty was imposed under Section 47A (1)(c) read with Section 46(4)(i) of the Banking Regulation Act, 1949.

The Minimum Payment Due (MPD) is the least amount that must be paid on a credit card bill each month to avoid late fees and penalties.

Typically, it is a percentage of the total outstanding balance on the credit card.

## **SEBI Increases Basic Demat Account Limit to Rs 10 Lakh to Encourage Participation**

Securities and Exchange Board of India (SEBI) increased the threshold for the Basic Services Demat Account (BSDA) to Rs 10 lakhs from the current Rs 2 lakhs to boost participation of small investors in the securities market.

The new guidelines will come into force from September 1, 2024.

Objective is to encourage small investors to trade in the stock market and ensure their financial inclusion.

A basic service demats account, or BSDA, is a more basic version of a regular demat account.

The facility was introduced by markets regulator SEBI in 2012 to reduce the burden of demat charges on investors with small portfolios.

The investor must have only one demat account as the sole or first holder.

The investor must have only one BSDA across all depositories.

The value of securities in the BSDA must not exceed Rs 10 lakh for debt and non-debt securities combined.

Previously, an individual could hold up to Rs 2 lakh in debt securities and Rs 2 lakh in other securities to be eligible for a BSDA.
