Government Extends Agriculture Crop Insurance Scheme Till 2025-26

In a boost to the agricultural sector in the country, the government of India has approved several policy decisions including the extension of the major crop insurance scheme- Restructured Weather Based Crop Insurance Scheme and Pradhan Mantri Fasal Bima Yojana.

The government has also approved the creation of FIAT to fund research and development projects in the agricultural sector like YES-TECH, and WINDS.

The decision was taken in a meeting of the Union cabinet chaired by Prime Minister Narendra Modi on 1 January 2025.

The central government has extended the central sector crop insurance scheme -Pradhan Mantri Fasal Bima Yojana and Restructured Weather Based Crop Insurance Scheme by one year till 2025-26.

The total allocation for both the schemes from 2021-22 to 2025-26 is now Rs.69,515.71 Crore.

Both schemes are a crop insurance scheme in which the insured farmers are compensated in case of crop failure under certain terms and conditions.

The only difference is that in the Pradhan Mantri Fasal Bima Yojana, the farmer is compensated for the crop loss due to unforeseen conditions.

In the Restructured Weather Based Crop Insurance Scheme the farmer is insured against the loss of crops due to the incidence of adverse conditions of weather parameters like rainfall, temperature, frost, humidity, etc.

Maharashtra Government Launches 15 Day Reading Campaign Amongst Student

The Maharashtra government has launched a 15 day "reading campaign amongst students" starting 1 January 2025. The scheme was announced by the Minister for Higher and Technical Education Minister of Maharashtra government Chandrakant Patil.

The state government has also set up committees at various levels that will oversee the reading campaign across the state.

The state government has also announced that it will honour the winners of the various activities conducted by the state government as part of the reading campaign.

The 15 day reading campaign will be under the Higher and Technical Education Department of the Maharashtra government. It will be held every year from 1-15 January. It is part of the state government's effort to nurture a generation that values reading as a crucial aspect of intellectual and personal growth.

Apart from this the other aim of the campaign are as follows;

To motivate the students to read books other than their textbooks.

Discourage the excessive use of mobile, laptop etc.

Conduct group reading sessions, story-telling, book discussions, workshops, competitions, and book reviews.

BANKING

IDBI Bank to Raise ₹10,000 Crore through Long-Term Bonds

IDBI Bank has approved the issuance of Long-Term Bonds to finance Infrastructure and Affordable Housing projects, raising up to ₹10,000 crore.

The bond issuance will occur in tranches, with ₹5,000 crore expected to be raised by March 31, 2025, and the balance during FY 2025-26.

The funds raised through these bonds will be used for financing infrastructure and affordable housing projects.

These long-term infrastructure bonds are eligible for certain regulatory exemptions, including relief from statutory liquidity ratio (SLR) and cash reserve ratio (CRR) requirements.

Banks and financial institutions use infrastructure bonds to raise funds for long-term infrastructure projects, with a minimum maturity of seven years.

The move reflects the growing trend among banks to raise funds through infrastructure bonds, particularly due to slower deposit growth in the banking sector.
