- The first G20 Employment Working Group meeting began in Jodhpur, Rajasthan.
- The Employment Working Group under the Indian Chairmanship of the G20 has a mandate to address priority labour, employment and social issues for strong, sustainable, balanced and sustainable employment for all.
- G20 member states have also been invited to share their interventions on key areas.
- India is hosting over 73 delegates from 19 countries, the European Union and 9 guest countries and 9 regional and international organisations.

Railways Gets First-Class Berth and H-Powered Trains

- The railways have received a record budgetary push of over Rs 2.4 lakh crores to accelerate projects like introducing hydrogen-powered wagons and trains, laying of additional tracks, electrification of network and revamping stations with better amenities for passengers.
- Railway minister Ashwini Vaishnaw said the first indigenously designed and developed hydrogen-fuelled train will be rolled out by December 2023.
- The Budget documents show that the proposed allocation for the railways for 2023-24 is 48% more than the revised estimate (RE) for the current financial year and nearly 72% higher than the budget estimate (BE).
- The revised spending of railways for 2021-22 has been pegged at Rs 1.63 lakh crores compared to the budget estimate of Rs 1.4 lakh crores.

Tamil Nadu Government Plans Museum

- The Tamil Nadu (TN) government has proposed to construct a museum for the late Dravida

Munnetra Kazhagam (DMK) leader and former Chief Minister M. Karunanidhi, in addition to the under-construction superstructure of the memorial on the Marina, TN.

- It will be built over 1500 square metres and spread over 160 cents.
- The memorial for Karunanidhi on the Marina beach is being constructed at a cost of ₹39 crore.
- The entrance to the museum will be on the surface of the mainland and will come up adjacent to the main memorial pavilion.
- The government is already working on a proposal for a 42-metre-tall pen monument on the sea, at a distance of 360 metres into the Bay of Bengal, at an estimated cost of ₹80 crore.

INTERNATIONAL NEWS

Congo into International Solar Alliance

- India has welcomed Congo into the International Solar Alliance.
- It is a treaty-based intergovernmental organization whose primary function is to promote solar development by reducing the cost of financing and technology.
- It is the nodal agency to implement 'One Sun, One World, One Grid'.
- It aims to transfer the solar energy generated in a specific region to meet the electricity demand of another region.
- Its key objectives include achieving a global potential of over 1000 GW of solar power generation capacity and mobilising about \$1000 billion to invest in solar energy by 2030.
