AWARDS & PRIZES

'Green Oscar' Whitley Gold Award 2024

Dr Purnima Devi Barman, a wildlife biologist from Assam, has won her second Whitley Gold Award, also known as the Green Oscar.

She was honoured for her conservation effort of the endangered bird, Hargila or Greater Adjutant Stork and its wetland habitat.

This is the second time that Dr Barman has been honoured with the Whitley Gold Award. She was also awarded the prize in 2017.

Dr. Barman received the trophy from charity patron Princess Anne – the Princess Royal, the sister of

King Charles III, at the Royal Geographical Society award ceremony in London, United Kingdom.

To protect the bird and its nesting place, Dr Purnima mobilised the local people and tried to change their view of the bird.

She founded the Hargila Army of Stork sisters, mainly consisting of local women, to protect the bird's nesting area.

Dr Barman aims to double the global population of the Hargila bird to 5,000 by 2030.

She is actively working in India and Cambodia through a network of grassroots workers to achieve this target.

IMPORTANT DAYS

World Tuna Day

World Tuna Day, observed annually on May 2 is dedicated to raising awareness about the critical importance of tuna conservation.

Tuna is popular for its numerous health benefits, as it provides Omega-3 fatty acids, protein and vital vitamins.

But, tuna populations face significant threats due to overfishing and unsustainable fishing practices.

Recognising the urgent need for conservation efforts, the United Nations established World Tuna Day to promote sustainable fishing practices and safeguard tuna populations for future generations.

World Tuna Day was initially proposed by the Parties to the Nauru Agreement (PNA) during a meeting of the Western and Central Pacific Fisheries Commission (WCPFC) in 2011.

World Press Freedom Day

World Press Freedom Day is observed on 3 May every year.

This day is dedicated to the fundamental principles of press freedom and to defend the media from attacks on their independence.

The Theme of World Press Freedom Day 2024 is "A Press for the Planet: Journalism in the Face of the environmental crisis".

World Press Freedom Day was established in 1993 by the United Nations General Assembly following the recommendation of UNESCO's General Conference in 1991.

The day is intended to raise awareness of the importance of freedom of the press and to pay tribute to journalists who have lost their lives in the line of duty.
