## 67th TAAI Conference

- The three-day 67th Travel Agents Association of India (TAAI) convention began in Colombo on 06 July.
- Special guests include Sri Lankan President Ranil Wickremesinghe and High Commissioner of India Gopal Baglay.
- The conference provides valuable business opportunities for stakeholders in the Indian and Sri Lankan travel industries.
- It serves as a platform to promote business partnership and cooperation between the two countries.
- With 500 participants and 50 Indian media personnel, the conference attracts a large number of industry professionals.
- The agenda of the conference includes thought-provoking sessions on a wide range of topics.

## BANKING

### Punjab National Bank Partners with Amul

- State-owned Punjab National Bank (PNB) has partnered with Gujarat Cooperative Milk Marketing Federation Ltd (GCMMFL), better known as Amul, to offer financial services to Amul's supply network pan-India under the MUDRA scheme.
- Through this association, both partners are aiming to provide support to more than 11 lakh retailers, wholesale dealers and others.
- PNB will provide small-scale financing through MUDRA to support Amul's retailers, wholesale dealers/area milk distributors, and exclusive Amul preferred outlets such as milk parlours.
- The partnership will also involve the integration of various digital channels like QR codes, point of sale (POS) systems, and Unified Payment Interface (UPI).
- Additionally, it will facilitate supply chain finance and digital collection of Equated Monthly Instalments (EMIs).
- Moreover, PNB will offer working capital limits and other relevant services.

## **Bank of India launched 'Centralised Pool Buy-Out and Co-Lending Cell'**

- Bank of India (BoI) has launched a 'Centralized Pool Buy-Out and Co-Lending Cell' to boost priority sector lending.
- Pool Buy-Out is a well-accepted practice in the banking industry to buy out the retail portfolios of Non-Banking Finance Companies (NBFCs) in return for immediate payment.
- The Cell, will be equipped with an end-to-end digital underwriting system to onboard pool buy-out and co-lending of loans in partnership with NBFCs (non-banking finance companies).
- Through this platform, seamless integration will be provided between the Bank and multiple NBFCs.
- The Cell will onboard loan assets under Retail, Micro, Small and Medium Enterprise (MSME) and the Agriculture segment with a dedicated team.
- So far, the Bank had been underwriting the aforementioned loans via various branches spread across the country.

## **Indian bank Collaborate with National E-Governance Services Limited**

- Public sector lender Indian Bank in collaboration with National E-Governance Services Limited (NeSL), has unveiled new services under its digital transformation initiative - Project WAVE (world of advanced virtual experiences)
- In January 2022, the process of digitization under Project WAVE was first launched.
- As part of the digital transformation initiative, the Indian bank and NeSL has introduced an electronic bank guarantee (e-BG) service to ease traditional paper-based processes.
- This move is expected to significantly reduce the turnaround time for issuing and delivering bank guarantees from the industry average of 3-4 working days to just a few minutes.
- Besides, the facility would replace the need for physical stamp paper and physical signatures of customers by replacing them with digital stamping and e-signing making the entire process digital.
- Indian Bank has launched a facility to avail pre-approved business loans, an end-to-end digital journey, for eligible individuals and proprietor firms to cater to their respective businesses.
- The newly launched digital vehicle loan product enables individual customers of the bank to get their dream vehicle with hassle-free loan processes.
- This facility would be available for loan value up to Rs 25 lakh.
