#### **RBI Imposes Monetary Penalty on North East Small Finance Bank Limited**

- The Reserve Bank of India (RBI) has imposed a monetary penalty of ₹39.50 lakhs on North East Small Finance Bank Limited.
- For non-compliance with the directions issued by RBI on 'Prudential Norms on Income Recognition, Asset Classification and Provisioning about Advances - Divergence in NPA Accounts' and 'Prudential Guidelines on Capital Adequacy and Market Discipline-New Capital

Adequacy Framework (NCAF)'.

- This penalty has been imposed in the exercise of powers vested in RBI under the provisions of Section 47 A (1) (c) read with Section 46 (4) (i) of the Banking Regulation Act, 1949.

## **SEBI Strengthened Framework for Green Bonds**

- Markets regulator Securities and Exchange Board of India (SEBI) strengthened the framework for green bonds by introducing the concept of 'blue' and 'yellow' bonds as new modes of sustainable finance.
- Blue bonds relate to water management and the marine sector, while yellow bonds pertain to solar energy.
- These are sub-categories of green debt securities.
- These measures have been taken in the backdrop of increasing interest in sustainable finance in India as well as around the globe, and with a view to align the extant framework for green debt securities with the updated Green Bond Principles (GBP) recognised by IOSCO.
- SEBI defines Green Debt Securities as debt securities issued for raising funds that are to be utilised for projects or assets falling under certain categories.
- The GBP seeks to support issuers in financing environmentally sound and sustainable projects that foster a net-zero emissions economy and protect the environment.

## **Instant Personal Loan Launched by Fi Money**

- Money management platform Fi Money has launched its lending services to offer users instant credit in partnership with Federal Bank.
- The instant personal loan service will provide borrowers with immediate access to credit through a paperless and pre-approved application process.
- The instant loans will be rolled out in a phased manner, with a certain number of users gaining initial access to avail credit from Rs 50,000 up to Rs 5 lakh, followed by a full-scale launch for all users in the coming weeks.
- Fi is a Neo Bank in India with a financial app that has a digital savings bank account with features that help you get better with your money.
