Punjab, Telangana, Kerala and West Bengal have not Implemented RTE

The states of Punjab, Telangana, West Bengal, and Kerala have not implemented the Right to Education Act.

The minister said that education is on the concurrent list, and the state government has the power to make rules under the Right to Education Act. These state governments have not yet framed such rules.

The 86th constitutional amendment 2022 amended the constitution and inserted a new Article 21 A, which provided for free and compulsory education to children between 6 -14 years of age.

The Fundamental right to education provided in Article 21 A was to become operational when Parliament passed an enabling law.

Parliament passed the Right of Children to Free and Compulsory Education (RTE) Act, 2009, to implement the 86th Constitutional Amendment.

The Right to Education Act came into effect on 1 April 2010.

In the Union Budget 2024-25, Rs 1.20 lakh crore has been allocated to the education sector.

Union Government Accelerates Employment-Linked Incentive (ELI) Scheme

Union Minister of Labour and Employment and Youth Affairs and Sports, Dr Mansukh Mandaviya, has directed an accelerated implementation of the Employment-Linked Incentive (ELI) Scheme, as announced in the Union Budget 2024-25.

The scheme aims to generate over 2 crore jobs over the next two years.

The focus was on ensuring the scheme benefits reach the intended recipients effectively.

The ELI Scheme is designed to foster job creation and provide incentives to both employers and employees.

This initiative is part of a broader Prime Minister's package aimed at facilitating employment, skilling, and other opportunities for 4.1 crore youth over five years, with a central outlay of Rs. 2 lakh crore.

The scheme aims to create a sustainable and inclusive employment ecosystem, significantly enhancing livelihood opportunities across the country.

ISRO to Launch Remote Sensing EOS 8 Satellite

The Indian Space Research Organisation (ISRO) will launch its Earth Observation Satellite-08 (EOS-08) on 15 August 2024, its 55th foundation day.

The EOS-08 satellite will be launched by ISRO's Small Satellite Launch Vehicle (SSLV)-D3. Here, D stands for Developmental.

The satellite will be launched from Satish Dhawan Space Centre (SDSC) in Sriharikota, Andhra Pradesh.

The EOS-08 is a remote-sensing microsatellite with a mass of around 175.5 kg. It will be placed in a Circular Low-Earth Orbit (LEO) at an altitude of 475 km.

The life of the satellite is around 1 year.

The satellite has the capability to capture images both during the day and night in the Mid-Wave and Long-Wave infrared bands for applications such as satellite-based disaster monitoring, environmental monitoring, fire detection, surveillance, industrial and power plant disaster monitoring and volcanic activity observation.

The satellite will help with ocean surface wind analysis, soil moisture assessment, cryosphere studies over the Himalayan region, flood detection, and inland waterbody detection.

Capital Small Finance Bank and Edelweiss Life Insurance

Capital Small Finance Bank Limited (CSFB), and Edelweiss Life Insurance have entered into a bancassurance tie-up.

This strategic partnership will enable CSFB's customer base to access Edelweiss Life Insurance's life insurance products suite, thereby meeting their need for financial security.

The arrangement aims to enhance the CSFB's life insurance offerings by providing its customers with access to Edelweiss Life's digital platform and service touchpoints.

Bancassurance is an insurance distribution model where insurance companies partner with banks to sell policies.

Reserve Bank of India (RBI) has Granted 'Fit & Proper' Certificates

The Reserve Bank of India (RBI) has granted 'Fit & Proper' certificates to three potential suitors for IDBI Bank, paving the way for their possible acquisition of the bank.

The candidates include Fairfax Financial Holding Limited (Toronto, Canada), Emirates NBD (Dubai, United Arab Emirates (UAE), and Kotak Mahindra Bank (Mumbai, Maharashtra).

Fairfax and Emirates NBD remain strong contenders in the race for IDBI Bank, as they prepare for the next steps in the acquisition process.

IDBI Bank had received banking regulator RBI's nod for the 'fit & proper' criteria for privatisation, and likely bidders for the strategic sale are expected to begin the process of due diligence early August.

The government holds 45%, and the Life Insurance Corporation (LIC) has a 49.24% stake in the bank.

They have proposed to sell a 60.7% stake to a private player with a precondition to dilute the stake to 26% over some time.

IDBI Bank had received banking regulator RBI's nod for the 'fit & proper' criteria for privatisation, and likely bidders for the strategic sale are expected to begin the process of due diligence early August, 2024.

Indian Central Bank's Digital Currency (CBDC)

GooglePay, Walmart-backed PhonePe and AmazonPay are among five payment firms seeking to join the Indian central bank's digital currency (CBDC) pilot by offering transactions via the e-rupee.

Indian fintech firms Cred and Mobikwik are the other two that have applied to join the pilot.

Google Pay and Amazon Pay are payments applications offered by Alphabet Inc's Google and Amazon.com, respectively, that facilitate retail payments over India's widely used Unified Payments Interface (UPI).

The five payment firms collectively account for over 85% of digital payments via the UPI, which processes about 13 billion transactions monthly.

The Reserve Bank of India started a pilot for the e-rupee, a digital alternative to the physical currency, in December 2022.
