The Tenth edition will celebrate "20 Years of Vibrant Gujarat as the Summit of Success".

The theme of the summit this time is 'Gateway to the Future'.

The tenth edition Vibrant Gujarat Global Summit is being held after a gap of four years as the summit was canceled in 2021 due to the Covid-19 pandemic.

Over 1 lakh people from across the world have registered to participate in the summit.

There are 34 Partner countries and 16 Partner organisations for this year's Summit.

This year, the summit will focus on sunrise sectors like semiconductors, green hydrogen, e-mobility, and space manufacturing.

## **West Bengal Secures Geographical Indication (GI)**

West Bengal has achieved Geographical Indication (GI) tags for 5 more products as part of the National GI Drive Mission.

The newly awarded GI tags include Sundarban honey, Black Nunia rice, Tangail sarees, Gorod sarees, and Kadiyal sarees.

The Central Government has uploaded the names of the products with GI tags on the designated portal.

Sundarban honey, collected from the Sundarban forest, has received a GI tag. It was collected by the 'Maui' community.

The West Bengal Forest Development Corporation Limited (WBFDC) has applied for a special GI tag for Sundarban honey.

WBFDC collects and processes Sundarban honey, selling it under the brand name "Mouban."

Black Nuniya rice is called the "Prince of Rice" and is cultivated in the Jalpaiguri district of the state.

Kadiyal saree is produced only in Mirzapur in Murshidabad district of West Bengal. Tangail and Gorod sarees are also famous in this region.

With the addition of the 5 new items, West Bengal now has a total of 27 items registered on the GI portal.

Since 2004, a total of 504 items from different parts of the country have received the Geographical Indication (GI) tag.

## **'Politically Exposed Persons' Term to Meet FATF Norms**

The Reserve Bank of India (RBI) updated Know Your Customer (KYC) norms for politically exposed persons (PEPs) who transact with regulated entities (REs), seeking to comply with the recommendations of the Financial Action Task Force (FATF).

In the amended KYC master direction, the central bank defines PEPs as individuals who have held or are currently entrusted with prominent public functions by a foreign country.

This includes heads of states/governments, senior politicians, senior government or judicial or military officers, senior executives of state-owned corporations, and important political party officials.

Regulated entities (REs) have the option to establish relationships with PEPs, either as customers or beneficial owners.

## **Narayana Health Gets IRDAI Nod to Launch Health Insurance Business**

Narayana Health has received approval from the Insurance Regulatory and Development Authority of India (IRDAI) to venture into the health insurance business in India.

The company operates one of the largest hospital chains, known by the brand name Narayana Hospital.

With this approval, the count of Standalone Health Insurance Companies (SAHI) will increase from 5 to 6.

This marks the fifth registration granted by IRDAI in approximately one year, encompassing Life, Non-life, and Health segments.

IRDAI has set a goal of achieving 'Insurance for All' by 2047, with a particular focus on improving the penetration of non-life insurance companies, which currently stands at 1 percent.

India's overall insurance penetration is expected to decrease to 4 percent in the financial year 2022-23 from the previous level of 4.2 percent in 2021-22.

## **SEBI Modifies Framework for Online Bond Platform Providers**

The Securities and Exchange Board of India (SEBI) has made adjustments to the regulatory framework for Online Bond Platform Providers (OBPPs) to improve the ease of doing business.

SEBI made these changes in response to representations from stock exchanges and market participants, including online bond platforms.

Under this, the regulator has modified the framework pertaining to the issue of order receipt, deal sheet and quote receipt in case of products, securities or services.

On placement of an order by an investor, SEBI Stated that OBPPs will have to issue without delay an electronic order receipt which includes the date and time of the order, details of counter-parties involved, quantity and amount proposed to be transacted.

An entity serving as an Online Bond Platform Provider can offer specific products, securities, or services on its platform.

OBPPs must register themselves as stockbrokers in the debt segment of the stock exchange under the new rules.
