Lakadong Turmeric from Meghalaya Receives GI tag

- Meghalaya's Lakadong turmeric has been awarded the Geographical Indication (GI) tag.
- It is considered to be one of the world's best varieties of turmeric, with a curcumin content of around 6.8 to 7.5%.
- It is darker in colour and is grown organically without the use of fertilisers.
- It is found in the Lakadong area of Jaintia Hills, and has high curcumin content.

INTERNATIONANL NEWS

India Pledges \$1 Million in Immediate Relief Aid to Papua New Guinea

- India announces a \$1 million relief assistance package for Papua New Guinea for Mount Ulawun volcanic eruption.
- The financial aid is designated for immediate relief and will support rehabilitation and reconstruction efforts in Papua New Guinea.
- Ulawun is the highest mountain in New Britain and the second in the Bismarck Archipelago at 2,334 metres, and is one of the most active volcanoes in Papua New Guinea.
- India in solidarity with the people of Papua New Guinea, will provide immediate relief assistance to aid rehabilitation and reconstruction efforts.

World's Largest Concentrated Solar Power Project during COP28

- The fourth phase of the Mohammed bin Rashid Al Maktoum Solar Park in Dubai has been inaugurated by Sheikh Mohammed bin Rashid Al Maktoum, Vice President and Prime Minister of the UAE and Ruler of Dubai.
- This marks the launch of the world's largest Concentrated Solar Power (CSP) project.
- Built at an investment of 15.78 billion, the 950 MW project utilises three hybrid technologies.
- The three hybrid technologies used are 600 MW from a parabolic basin complex, 100 MW from a CSP tower, and 250 MW from photovoltaic solar panels.
- According to Guinness World Records, the project includes the world's tallest solar tower at

263.126 metres and the largest thermal energy storage capacity with a capacity of 5,907 megawatt hours.

- The project covers 44 square kilometres and consists of 70,000 heliostats that track the movement of the Sun.
- The Molten Salt Receiver (MSR) on top of a solar power tower is an important element that converts solar radiation into thermal energy.

Indonesia Offers Free Entry Visa to India

- The Indonesian Ministry of Tourism has decided to issue free entry visas to travellers from 20 countries to promote tourism.
- He also included India in the second week of December 2023.
- According to the Indonesian Ministry of Tourism, free entry visas to these 20 countries will increase foreign tourist visits.
- This will have many positive impacts on Indonesia's economy.
- For example, domestic consumption will be boosted, investment will be attracted, and the development of the digital economy will be supported.

BANKING
