### **RBI Allows Indian Banks in GIFT-IFSC to Trade on Bullion Exchange**

Indian banks operating in the Gujarat International Finance Tec-City International Financial Services Centre (GIFT-IFSC) have been granted permission by the Reserve Bank of India (RBI) for bullion exchange trading and special category customer status.

The permission, granted on 09 February 2024, enables branches of Indian banks in GIFT-IFSC to function as Trading Members (TM) or Trading and Clearing Members (TCM) of the International Bullion Exchange IFSC Ltd.

Additionally, Indian banks are authorized by RBI to import gold or silver and operate as Special Category Clients (SCCs) on the International Bullion Exchange.

This permission applies to all scheduled commercial banks, excluding Regional Rural Banks (RRBs).

According to the circular, RBI stated that trading members or trading and clearing members will execute trades only on behalf of clients without proprietary trading.

SCCs will execute only buy trades on behalf of clients.

The SCC will appoint one of the IFSC Banking Units (IBUs) to act as the clearing member on its behalf.

### **RBI Accelerates Central Bank Digital Currency (CBDC) Development**

The Reserve Bank of India (RBI) is intensifying its efforts to launch its Central Bank Digital Currency (CBDC) and is introducing new features to enhance its functionality.

As part of the CBDC pilot program, the RBI is introducing programmability and offline functionality to the digital currency, aiming to improve its usability and versatility.

The CBDC Retail (CBDC-R) pilot currently facilitates Person to Person (P2P) and Person to Merchant (P2M) transactions using Digital Rupee wallets provided by selected banks.

Now, the RBI plans to expand its use cases by introducing programmability, which will allow government agencies to ensure payments are made for specific benefits, while letting companies allocate funds for expenses such as business travel.

The RBI is introducing features such as validity periods and geographical usage restrictions that can be programmed into the CBDC, enhancing its functionality and security.

## **RBI to Strengthen Oversight of Aadhaar Enabled Payment System**

The Reserve Bank of India (RBI) Governor Shaktikanta Das emphasized the central bank is vigilant to enhance the security of Aadhaar Enabled Payment System (AePS) transactions.

The RBI proposes to streamline the onboarding process for AePS touchpoint operators, including mandatory due diligence, to be followed by banks.

Aadhaar Enabled Payment System (AePS), operated by NPCI, enables customers to perform digital payment transactions in assisted mode.

In 2023, more than 37 crore users undertook AePS transactions, which points to the important role played by AePS in financial inclusion.

To enhance the security of AePS transactions, it is proposed to streamline the onboarding process, including mandatory due diligence, for AePS touchpoint operators, to be followed by banks. Additional fraud risk management requirements will also be considered. Instructions in this regard shall be issued shortly.

Aadhaar-enabled payment system (AePS) transactions can be conducted with just an Aadhaar number, fingerprint/IRIS (for authentication), and the name of the bank where the account is opened.

The National Payments Corporation of India (NPCI) on November 02, 2023, issued a circular regarding the AePS transaction limits.

It recommended that they permit their clients to make AePS Cash Withdrawals and BHIM Aadhaar Pay transactions, with a monthly cumulative cap of 50,000.
