It will provide a platform for countries to discuss and decide the future of standards of next-generation critical technologies like 6G, Artificial intelligence, Internet of Things, Big Data, cybersecurity and others.

INTERNATIONAL NEWS

EAM Dr. S. Jaishankar to visit Islamabad for SCO Summit

External Affairs Minister Dr. S. Jaishankar will embark on a two-day visit to Islamabad to attend the Shanghai Cooperation Organisation (SCO) Summit.

The External Affairs Minister had earlier remarked that his Pakistan visit is for a multilateral event and he had ruled out bilateral talks.

This will be the first high-level visit of an Indian Foreign Minister to the neighbouring nation in nine years.

Shanghai Cooperation Organisation is a permanent intergovernmental international organisation. It comprises of nine member states - India, Iran, Kazakhstan, China, Kyrgyz Republic, Pakistan,

Russia, Tajikistan, and Uzbekistan.

The SCO focuses on strengthening mutual trust among the Member States, promoting their effective cooperation in politics, trade, economy, research, technology, and culture.

India and Colombia to Sign Audiovisual Co-Production Agreement

The Audiovisual Co-production Agreement between India and Colombia will be signed in New Delhi.

This agreement is expected to benefit producers from both countries in pooling their creative, artistic, technical, financial and marketing resources for the co-production.

The agreement will also lead to an exchange of art and culture among the two countries. It will also create goodwill and better understanding among the people of both countries thereby boosting cultural ties between the two countries.

Currently, India has co-production treaties with 16 countries, resulting in 29 projects over the last five years. Colombia is the 17th country with which India is signing a Co-Production Agreement.

RANKS, INDICES & REPORTS

Global Hunger Index 2024

The Global Hunger Index (GHI) is a comprehensive tool that tracks and measures hunger at the global, regional, and national levels.

India ranks 105th out of 127 countries in the Global Hunger Index 2024, placing it in the “serious” hunger category.

India’s GHI score is 27.3, indicating a severe level of hunger.

The 2024 GHI report is the 19th edition, published by Concern Worldwide (Ireland) and Welthungerhilfe (Germany).

The report underscores that achieving the United Nations Sustainable Development Goal (SDG) of Zero Hunger by 2030 is increasingly unlikely without substantial progress.

The disparity between the global right to food standards and the harsh reality faced by millions remains significant.

Nobel in Economics 2024

2024 Nobel laureates in the economic sciences are Daron Acemoglu, Simon Johnson and James Robinson have demonstrated the importance of societal institutions for a country's prosperity.

Societies with a poor rule of law and institutions that exploit the population do not generate growth or change for the better.

Their research highlights the different ways in which colonization impacted institutional development in various regions.

In some colonies, the colonizers exploited the local population and established extractive systems to serve their own interests.

In others, they created inclusive political and economic systems that allowed for the long-term prosperity of the population, particularly for European migrants.
