NATIONAL NEWS

Assam Government Launches Millet Mission

- The Assam Chief Minister Himanta Biswa Sarma on 16 November 2022 launched the “Assam Millet Mission” aimed at increasing agricultural productivity and doubling the farmer’s income.
- The mission also aims at encouraging the farmers to diversify their crops.
- Along with the Millet mission the Chief Minister also launched six soil testing and quality control laboratories Bongaigaon, morigaon, Golaghat, Udalgiri, Karimganj and Darrang.
- Initially the millet mission will cover 25,000 hectares of land and later it will be extended to 50,000 hectares.

Digital Shakti 4.0

- The National Commission for Women (NCW) launched the fourth phase of Digital Shakti Campaign, a pan-India project on digitally empowering and skilling women and girls in cyberspace on 15 November.
- Digital Shakti 4.0 focuses on making women digitally proficient and aware to stand against any illegal or inappropriate activity online.
- The National Commission for Women launched it in association with Cyberpeace Foundation and META.
- Digital Shakti was launched in June 2018 to raise awareness and help women on the digital front across the country.
- Through this project, more than 3 lakh women across India have been sensitised regarding cyber security tips and tricks.
- It is helping women with reporting and redressal mechanisms, data privacy and use of technology for their benefit.

First Greenfield Farm Machinery Plant

- Union Agriculture Minister Narendra Singh Tomar inaugurated the first greenfield farm machinery plant of Mahindra and Mahindra at Pithampur in Madhya Pradesh.
- This new farm machinery plant is capable of manufacturing affordable and accessible farm machinery equipment under the Mahindra and Swaraj brands.
- The plant will also manufacture products for export to global markets in Asia, Africa, Europe and the America.
- The facility is capable of manufacturing a range of new products designed at Mahindra's Global Centers of Technology Excellence in Finland, Japan and Turkey.

Green Hydrogen Hub in Kochi

- The India Hydrogen Alliance (IH2A) and the Government of Kerala have jointly evaluated a proposal for building the Kochi Green Hydrogen (KGH2) Hub, a large-scale green hydrogen hub with multiple use cases to the Government of Kerala.
- IH2A's KGH2 Hub plan is modelled after the Hydrogen Valley projects in the EU, to create production, storage, transmission and end-use infrastructure for green hydrogen (in compressed gas and liquid form) within a 50-km radius cluster in Kochi.
- The plan focuses on the transport use case in the first phase, aligning with the state government's plans for zero-emission transport, to power Hydrogen-ICE retrofitted bus fleets of 60 buses and build the required infrastructure.
