- The week-long exercise is taking place over Southern Europe and involves aircraft and personnel from 14 NATO countries.
- Steadfast Noon involves training flights with dual-capable fighter jets, as well as conventional jets, backed by surveillance and refuelling aircraft.
- The exercise will be conducted till 30 October 2022.

BANKING

World Bank Extends Unconditional Loan for The SALT Project in AP

- The World Bank (WB) has extended an unconditional loan of \$250 million to Support Andhra’s Learning Transformation (SALT) project in appreciation of the path-breaking reforms implemented by the Andhra Pradesh (AP) government.
- The SALT is the first project in the school education sector to be funded by the World Bank without any precondition.
- The facilities in schools were vastly improved under the Nadu-Nedu program to provide an atmosphere that was conducive to teaching and learning.
- Approximately ₹53,000 crores had been spent on school education in the last 3 years to Amma Vodi and the first phase of the Nadu-Nedu scheme.
- In the academic year 2022-2023 more than 40,31,239 children were studying in government schools.

Universal Sompo General Insurance Adopts a Village

- Universal Sompo General Insurance Company Ltd adopts Tung village, in the Maval sub-district of Maharashtra.
- Universal Sompo committed to pledging INR 50 Lakh in developmental activities in the village.
- The objective is to educate the women in the village on digital literacy and farm animal (veterinary) treatment.
- The project also helps to equip 60% of the households in the village with solar lights, helping 200 families with reduced electricity bills.
- Additionally, the project aims to increase the groundwater level in the village, with artificial recharges to conserve water.

Guidelines On Unhedged Foreign Currency Exposure

- The Reserve Bank of India (RBI) issued modified and consolidated guidelines to the banks on Unhedged Foreign Currency Exposure (UFCE) Directions in 2022.
- These directions will apply to all commercial banks (excluding Payments Banks & Regional Rural Banks).
- These instructions shall come into force from January 1, 2023.

- Entities that do not hedge their foreign currency exposure can incur significant losses during a period of heightened volatility in foreign exchange rates.
- These losses may reduce their capacity to service the loans taken from the banking system and increase their probability of default thereby affecting the health of the banking system.

BUSINESS

India to Meet \$2 Trillion Export Target by 2030

- Union Minister for Commerce and Industry Piyush Goel announced that India will achieve the export target for goods and services to \$ 2 trillion by 2030, at the Exporters Conclave held at Chennai on 16 October 2022.
