NATIONAL NEWS

Government Launches 'Sangathan Se Samridhhi' Scheme

- Rural Development Minister Giriraj Singh launched the 'Organization to Prosperity' campaign on 18 April.
- It will empower marginal rural households by bringing all eligible rural women into Self Help Groups (SHGs).
- The government is targeting to bring the existing 9 crore to 10 crore women under the ambit of SHGs.
- The government has set a target that every woman associated with self-help groups should be able to earn one lakh rupees annually.
- Self-help groups (SHGs) are informal associations of people who choose to come together to find ways to improve their living conditions.

Union Minister Dr. Jitendra Singh Launches 'YUVA PORTAL'

- Union Minister for Science and Technology Dr. Jitendra Singh launched the Youth Portal in New Delhi.
- It aims to connect and identify potential youth start-ups.
- Science and Technology Minister Dr. Jitendra Singh also launched the One Week - One Laboratory programme.
- The event emphasises the need for broad-based participation from stakeholders in the industry for startups to remain sustainable.
- Each of the 37 CSIR (Council of Scientific and Industrial Research) laboratories is dedicated to a different specialised area of work.
- The One Week - One Lab program will provide an opportunity to CSIR laboratories to showcase their work.

UGC Issues New Regulations for Students' Grievance Redressal

- UGC released new regulations for the grievance redressal of students.
- The new regulation proposed the establishment of the Students Grievances Redressal Committee(s) (SGRC) in all Higher Education institutions (HEIs).
- As per the regulations, the Universities are requested to appoint Ombudsperson within 30 days of notifications.
- The Vice-Chancellors/ Principals have been requested to take necessary measures for the publicity of Regulations.
- The regulations have a detailed mechanism for the constitution of SGRCs and their composition and the appointment of the Ombudsperson.
- These regulations will be called the University Grants Commission (Redressal of Grievances of Students) Regulations, 2023.
- The regulations will apply to all higher education institutions established under a Central Act or a State Act.
- The main objective of the regulation is speedy redressal of grievances of the students enrolled in any institution.

- India and Russia are paying special attention to the issues of mutual access of products to the markets of both the countries.

World's Largest 'Narco-State'

- Syria has become the world's largest 'narco-state' and most of its foreign exchange earnings come from the production and export of Captagon, a highly addictive amphetamine commonly referred to as 'poor man's coke'.
- Drug trafficking, is especially Captagon, which is a significant part of Syria's economy.
- It accounts for more than 90 percent of the country's foreign exchange earnings according to criteria to be classified as a narco-state.

BANKING

SIDBI Launches Pilot Scheme 'Mission 50K-EV4ECO'

- Small Industries Development Bank of India (SIDBI) has launched the pilot financing scheme Called the Mission 50K-EV4ECO for better financing terms in the electric vehicle space (EVS) and strengthening the whole ecosystem.
- It is to strengthen the EV ecosystem, including uptake for two, three and four-wheelers through direct and indirect lending.
- The pilot scheme, which is the precursor to EVOLVE scheme by SIDBI-World Bank, has two components -direct lending and indirect lending.
- This pilot will be followed by scaling up support to the ecosystem from multilateral support.
- Under direct lending, SIDBI will directly give loans to eligible Micro Small and medium Enterprises (MSMEs) for the purchase of electric vehicles.
- The indirect scheme targeted at NBFCs, including small unrated focused and emerging NBFCs, actively engaged in EV financing, will reach out to the last mile by inducing access to funds as also reducing landed cost.

Singara Chennai Card

- Chennai Metro Rail Ltd in association with the State Bank of India (SBI) launched the Singara Chennai Card (NCCM - National Common Mobility Card).
- The technology for the RuPay NCCM cards has been developed by the National Payments Corporation of India (NPCI).
- The card has a unique feature of a Stored Value Area which can be used to store a maximum amount of 2000 rupees that can be used for ticket purchases in Offline mode
- The Singara Chennai cards can be used in Chennai metro stations, and at other metros that accept RuPay NCCM cards.
- In the future, consumers would be able to use the card for travel on buses, suburban railways, for toll, parking, smart city and retail shops, in many parts of the country.

SPORTS
