## **Early Warning Signals Framework**

- Regulator for housing finance firms National Housing Bank (NHB) has asked housing finance companies with asset size of over Rs 1,000 crore to adopt an early warning signals (EWS) framework to check financial frauds and also to prevent accounts from turning into non-performing assets.
- The analysis of the frauds reported by the housing finance companies (HFCs) has revealed that the reasons behind accounts being identified as fraud accounts are seller impersonation, submission of fake income/ employment documents, submission of fake title deeds, and collusion of the builder and borrower
- It has also been observed that such deficiencies are identified only when the borrower stops paying the EMIs after the disbursement of the loans.
- Through the Early Warning Signals (EWS) framework, HFCs will be encouraged to take into account fraud risks in their risk management practices.
- The mechanism needs to be put in place by April 1, 2024.
- The NHB has provided an indicative list of EWS for individual borrowers (retail).

- The NHB has also suggested an indicative list of EWS for corporate and project loans.
