- The Indian Navy's guided missile frigate Trikanth and Offshore Patrol Vessel Sumitra, with their integral helicopters and the maritime patrol aircraft, Dornier are participating in the exercise.
- The exercise facilitates operational-level interaction between the two navies to foster mutual cooperation and enhance good order at sea.
- The exercise also aims to strengthen the ancient maritime and cultural linkages between India and Oman.

# IMPORTANT DAYS

## World Television Day

- World Television Day is observed every year on the 21 November.
- The UN General Assembly decided to name November 21 World Television Day, not to celebrate the object itself, but the symbol for communication and globalization in the contemporary world that it represents.
- In 1927, a 21-year-old inventor by the name of Philo Taylor Farnsworth invented the world's first electronic television.
- UN leaders recognized that television could bring attention to conflicts, raise awareness of threats to peace and security and sharpen focus on social and economic issues.

# MISCELLANEOUS

## Word of the Year by Cambridge Dictionary

- “Homer” has been named the Cambridge Dictionary’s word of the year for 2022.
- It was said to be influenced by the Wordle, a Wordle-like word game that has become immensely popular worldwide.
- When “homer” was a possible response in the word game Wordle, it was searched almost 75,000 times during the first week of May 2022.
- “Homer” is a colloquial American English term for a baseball “home run” in the context of the game.
