Indian Bank Plans to Establish Operations Support

Subsidiary

Chennai-based Indian Bank is in the process of establishing an operations support subsidiary to offer value-added services while optimizing costs, particularly for operations in non-metropolitan areas.

Two large public sector banks -State Bank of India (SBI) and Bank of Baroda (BoB) have already formed such units for servicing customers in rural and semi-urban areas.

Indian Bank, after issuing a request for proposal (RFP) to empanel manpower consultants for the subsidiary, has received in-principle approval from the Reserve Bank of India (RBI).

In July 2022, country's largest lender SBI set up a subsidiary State Bank Operations Support Services Pvt Ltd (SBOSS) for providing operations support services at branches in rural and semi-urban areas of the country.

SBOSS, which is headquartered in Delhi, will also work as a corporate business correspondent of the SBI.

Mumbai-based Bank of Baroda (BoB) has established Baroda Global Shared Services, a wholly-owned subsidiary, to integrate service functions into a single entity.

Unity Bank Collaborates with Uncia

Uncia Technologies has successfully launched its advanced Supply Chain Finance platform, Uncia Chain, at Unity Small Finance Bank Limited (Unity Bank), known for its digital-first banking approach.

Uncia Chain is a flagship Supply Chain Finance (SCF) platform, offering a feature-rich product suite designed to meet the financing needs of the physical Supply Chain industry.

The platform efficiently manages all aspects of a three-party financing model, bringing together the buyer, seller, and lender on a single platform.

It provides templated variations for onboarding and transaction journeys between these parties.

Uncia Chain is highlighted for its cloud-agnostic and database-agnostic capabilities, making it adaptable to various cloud environments and database systems.

The platform demonstrates efficiency in integrating with Enterprise Resource Planning (ERP) systems, contributing to its rapid deployment and configurability.

The implementation of Uncia Chain for Unity Bank was successfully accomplished in less than 100 days, showcasing its highly configurable and swift deployment framework.

ICC Announces T20I Team of the Year for 2023

The ICC announced the T20I Team of the Year for 2023.

India's Suryakumar Yadav was named captain of the ICC T20I team.

Premier batter Suryakumar recently captained the Indian team in the absence of skipper Rohit Sharma and his former deputy Hardik Pandya.

Under the leadership of Suryakumar, India played two T20I series against Australia and South Africa after the One Day International (ODI) World Cup.

Nicknamed SKY, the explosive batter retained the top spot in last year's ICC Men's T20I batting rankings.

Each year, the ICC recognises 11 outstanding individuals who earned plaudits for their remarkable performances in the shortest format.

Players who stood out throughout the 2023 season have been nominated in the ICC Men's T20I Team of the Year.

DEFENCE

Exercise Desert Knight

Exercise Desert Knight was conducted over Arabian Sea by the Indian Air Force with the French Air and Space Force (FASF) and United Arab Emirates (UAE) AirForce.

The Indian Air Force contingent had Su-30 MKI, MiG-29, Jaguar, AWACS, C-130-J and Air to Air Refueller aircraft.

The French Air and Space Force (FASF) included the Rafale fighter aircraft and a Multi Role Tanker Transport while the UAE Air Force fielded the F-16.

The Exercise Desert Knight exercise was mainly focussed on enhancing synergy and interoperability between the three Air Forces.

Army personnel interacting during the exercise facilitated the exchange of operational knowledge, experiences and best practices amongst the participants.

IMPORTANT DAYS

International Day of Education

International Day of Education 2024 is observed every year on the 24 January.

The International Day of Education was declared by the UN General Assembly in December 2018 as a way to honor education and to think about how crucial learning is to progress and peace.

The theme of International Education Day is 'Learning for lasting peace'.

The main objective of this theme is to highlight the importance of education in promoting peace and understanding.

Along with this, there is also a deep coordination with contemporary global issues.

The UN Sustainable Development Goal 4 has a specific objective to achieve "inclusive and equitable quality education, promoting lifelong learning opportunities for all" by 2030.

National Girl Child Day

National Girl Child Day is celebrated every year on 24 January to spread awareness about the inequalities faced by girls in Indian society.

On this occasion, awareness about the rights of girls is promoted in the country for their all-round development.

National Girl Child Day was established in 2008 by the Ministry of Women and Child Development.

The main reason for celebrating Girls' Day on 24th January is that on this day in 1966, Indira Gandhi took the oath as PM. She became the country's first female prime minister.

This annual event holds immense importance as it promotes gender equality and addresses the issues faced by girls in India.
