National Conference on Agriculture for Kharif Campaign 2022-23

- Union Agriculture Minister, Narendra Singhr Tomar inaugurated National Conference on Agriculture for Kharif Campaign 2022-23 at NASC Complex, New Delhi.
- The objective of this conference was to review and assess the crop performance during the

preceding crop seasons and to fix crop-wise targets for Kharif season in consultation with State Governments.

- As per Advance Estimates (2021-22), total food grains production in the country is estimated at 3160 lakh tonnes.
- Of the total production target of 328 million tonnes 163.15 million tonnes is set for Kharif season crops and 164.85 million tonnes for the Rabi season crops.
- Total food grain production has increased by 25% in last 6 years from 251.54 to 316.01 million tonnes.

BANKING

SIDBI Cluster Development Fund

- The Maharashtra government has been approved Rs 600 crore by SIDBI under the SIDBI Cluster Development Fund (SCDF).
- It is to upgrade or revive its industrial training institutes (ITIs) and polytechnics run by the Directorate of Vocational Education and Training under the Department of Skills, Employment, Entrepreneurship and Innovation.
- SIDBI's engagement with Maharashtra is based on the recommendations by the Expert Committee on MSMEs headed by UK Sinha for MSME development and promotion including the use of Priority Sector Shortfall (PSS) funds.
- This was intended to create a low-cost lending window for state governments for infrastructure projects in clusters.

International Sustainability Platform at GIFT City

- NSE IFSC Ltd, a subsidiary of National Stock Exchange (NSE) announced to launch an international sustainability platform, at Gujarat's GIFT City.
- This is a first of its kind ESG (environmental, social and governance) platform in India, NSE IFSC.
- The platform will facilitate listing and trading a variety of sustainability products including green bonds, voluntary carbon, sustainable bonds, green real estate investment trusts (REITs), green equity, among others and channelize the flow of sustainable finance to India and other markets.
- The sustainability platform will use Distributed Ledger Technology (DLT) or Blockchain to ensure integrity, speed, tracking and traceability of transactions.
- Ecube Investment Advisors, a Blockchain products startup are also engaged with NSE IFSC to make the platform operational.
