BANKING

World Bank to Indian Railways

- The World Bank approved a \$245-million loan for the rail logistics project to help reduce India's high Carbon emissions and low modal freight share in the railways.
- The project will help India shift more traffic from road to rail, making transport both freight and passenger which is more efficient and reduce millions of tonnes of greenhouse gas emissions (GHG) each year.
- The project will also incentivise more private sector investment in the sector.
- The loan financed through the International Bank for Reconstruction and Development has a maturity of 22 years including a grace period of seven years.

RBI Extends the Date for Implementing Provisions on Cards

- The Reserve Bank of India (RBI) extended the deadline to implement three provisions by three months, as part of new regulatory guidelines for issuing credit and debit cards from 01 July 2022 to 01 October 2022.
- Regarding card issuers being mandated to seek one-time password-based consent from the cardholder for activating a credit card, if not activated by the customer for more than 30 days from the date of issuance

- Card issuers will have to ensure that the credit limit as sanctioned and advised to the cardholder is not breached at any point in time without seeking explicit consent from the cardholder.
- The issuers shall not capitalize on unpaid charges for the compounding of interest.

CARD91 Partners with YES BANK and RuPay

- CARD91 is a global payment infrastructure powering Business Business (B2B) payments partnered with YES BANK and RuPay, the flagship product of the National Payments Corporation of India (NPCI).
- Through this partnership, CARD91 will create a card management system that will allow companies to launch a variety of co-branded card instruments as well as maintain a real-time dashboard to generate insights.
- It will enable CARD91 to expand its presence in the Indian payments market.
- The Partnership will enable the company to provide businesses of all kinds across various sectors with a range of card instruments for managing and securing payments.
- CARD91 is a plug-and-play Payment Issuance Infrastructure designed to help businesses launch co-branded cards and simplify payments.

South Indian Bank Launches EXIM Trade Portal

- The South Indian Bank (SIB) has launched a new portal called 'SIB TF Online' for its corporate EXIM (Export-Import) customers.
- The portal provides the customers with a platform for trade-related payments and remittances to foreign entities without visiting the bank's branches.
- The customer can initiate the payment request over SIB TF Online after uploading the supporting documents for the transaction.

SIB plans to launch SIB TF Online in phases with the initial version allowing for 3 types of import remittances

- Advance Remittance for Imports
- Remittance against Import Bill received from overseas Bank for Collection (Bank-to-Bank Foreign Inward Collection Bill) and
- Payment against Import documents received by Importer directly from overseas suppliers
- SIB TF Online has been hosted on the home page of Corporate Internet Banking (SIBerNet) and would allow corporates to transact on the portal digitally and 24×7 in a safe and paperless manner.
