Government Notifies Bonus for PLI and RPLI Schemes For FY25

The Centre has approved a simple reversionary bonus for the Postal Life Insurance Scheme and Rural Postal Life Insurance Scheme for fiscal year 2024-25.

There is no change in the rate.

According to a notification, under the Postal Life Insurance Scheme, rate of bonus will be ₹76 per thousand of sum assured for whole life assurance (WLA).

Similarly, for endowment assurance (EA) (including joint life and children policies), it will be ₹52 per thousand of sum assured.

Anticipated endowment assurance (AEA) will fetch ₹48 per thousand of sum assured.

In the case of convertible whole life assurance (CWLA), whole life bonus rate would be applicable, but on conversion, endowment assurance bonus rate will be applicable.

Rate of terminal bonus will be ₹20 per sum assured of ₹10,000, subject to maximum of ₹1,000 for WLA and EA policies with term of 20 years or more.

Postal Life Insurance (PLI), the oldest in the country, was introduced on February 01, 1884 as a welfare scheme for the benefit of postal employees and later extended to the employees of Telegraph Department in 1888.

Rural Postal Life Insurance (RPLI) was introduced on March 24, 1995 for rural people on recommendations of the Official Committee for Reforms in the Insurance Sector headed by ex-RBI Governor RN Malhotra.

The prime objective of the scheme is to provide insurance coverage to the rural public in general and to benefit weaker sections and women workers of rural areas in particular and also to spread insurance awareness among the rural population.

SBI and Axis Bank Innovate Mobile Apps to Expand UPI Market Share

Leading banks, such as State Bank of India (SBI) and Axis Bank are looking to increase their Unified Payment Interface (UPI) market share by making innovations in their mobile application that can be used by both customers and non-customers.

Armed with third-party application provider licenses, these banks are aggressively entering the UPI space, which is currently dominated by PhonePe, Google Pay, etc.

SBI is set to launch an upgraded YONO 2.0 platform accessible to both customers and non-customers.

It will function as a marketplace offering banking services and products.

Banks require a third-party application provider (TPAP) license to cater to non-customers, prompting them to obtain such licenses to tap into this segment.

National Payments Corporation of India (NPCI) data reveals that UPI transaction volumes exceeded 12 billion, with a transaction value surpassing Rs 18 trillion in December.

Besides SBI, YES Bank, Axis Bank, and ICICI Bank are also targeting non-customers through their mobile applications, indicating a widespread trend in the banking sector.

HDFC Bank Collaborated TD Bank Group

HDFC Bank and TD Bank Group have announced an expanded pact to support Indian students planning to study in Canada.

With this agreement, TD and HDFC Bank have announced a new referral programme where HDFC Bank will refer students planning to study in Canada to TD's International Student GIC Program, which enables students to comply with the Government of Canada's Student Direct Stream (SDS) study permit pathway.

It is to facilitate the opening of accounts digitally for students and help them meet their study visa and living expense requirements in Canada.

TD has been HDFC Bank's main correspondent banking partner for Canadian dollar clearing since 2015.

In 2023, there were more than 425,000 Indian international students with active study permits in Canada.

TD is the 2nd largest Bank in Canada and 6th largest in North America by assets, and serves over 27.5 million customers around the globe.

IAU Approved Name of Chandrayaan-3 Landing Site on Moon as Shiva Shakti

International Astronomical Union approved the name 'Shiva Shakti' for the landing site of Chandrayaan-3's Vikram lander, following the success of the mission on August 26, 2023.

The name is derived from a compound word in Indian mythology that represents the duality of

masculine (Shiva) and feminine (Shakti) nature.

At the Indian Space Research Organization's Command Centre, PM Modi explained that the name "Shiv Shakti Point" was chosen to represent the welfare of humanity, with "Shiv" signifying welfare and "Shakti" representing the strength required to achieve it.

He added that the Moon's Shiv Shakti Point will serve as a symbol of unity, inspiring future generations to use science for the betterment of humanity.
